AVON TYRES MOTORSPORT

ZZS

The Avon ZZS is a tyre range developed to offer outstanding all-round performance in both wet and dry conditions and both on the road and on the track. The unique symmetrical and directional motorsport derived tread pattern was designed to maximize water clearance while maintaining superb dry weather performance through excellent tread block stability. The ZZS is fully road legal DOT marked and complies with all EU Tyre Labeling regulations.

New for 2015 the Avon ZZS will become the single control tyre for the official Caterham Roadsport, Tracksport and Supersort race championships.

- Superb dry and wet weather performance
- Fully road legal, DOT Marked and EU Tyre Labeling compliant
- List 1B permitted race tyre (2015 onwards)
- Full racing tread compound
- Designed by the Avon Tyres Motorsport Technical Department.
- Ideal championship control tyre
- Tyre construction utilises materials found in GT, F3, Formula Ford and other world class forms of motorsport.
- A road legal racing tyre
